Thank You!

Your Support Ensures We Can Continue to Make a Difference

Last year, you helped us raise an incredible \$351,000, bringing the total amount over the past 25 years to more than \$5.6 million dollars. It is because of your continued generosity that we were able to pledge our ongoing commitment to Stevenson Memorial Hospital for \$1,000,000 in honour of our 25th anniversary last year to support the redevelopment costs of the hospital. Your support, also goes towards helping the local Food Banks, Community Living Association of South Simcoe and many more vital local charities and programs in Simcoe County.

The Main Event

This year, The Nottawasaga Foundation will be hosting our 26th Annual Golf Tournament, Dinner and Auction Fundraiser, on **Friday, July 20, 2018**. With your continued support and participation from the community, The Nottawasaga Foundation anticipates another successful event featuring:
